# RHX Gauges

RHX's durable, long-lasting liquid filled gauges perform in all types of difficult environments, including areas with extreme heat, pulsation and vibration. Our state of the art gauges are designed with a full scale accuracy of +/- 1.2%

Property	Test Method
Dial	2.5" (63mm) white aluminum with black markings
Case	AISI 304 SS
Lens	Polycarbonate
Ring	AISI 304 SS, Crimp-On
Socket	Brass
Connection	1/4" NPT lower mount
Fill Liquid	Glycerin
Bourdon Tube	2.5" (63mm), Phosphore bronze or lead free phosphor bronze C or coil shaped for brass socket, AISI 316 SS C or Coil shaped for 316 SS socket
Movement	Brass
Pointer	Aluminum, anodized black
Welding	Brass: Silver Alloy, 316SS: TIG
Over-Pressure Limit	25% for pressure, up to 1,450 psi (9,998kPa), 15% for pressures over 1,500 psi (10,342 kPa)
Gasket	Silicone rubber for socket; EPDM for lens, filling plug and blow-out-vent
Fill Plug	EPDM
Lens Ring Gasket	Silicone Rubber
Working Pressure	Maximum 75% of full scale value
Ambient/Proccess Temp.	Glycerin Filled: -4°F to 150° F (-20°C to 65°C)
Accuracy	± 1.2% of full scale
Enclosure Rating	IP65

# RHX Saws

RHX PVC/ABS saws allows for easy cutting though PVC, woods, metals, and plastics. The comfort rubber handle provides added grip and durability during use.

## Product Details

- 12" or 18" PVC/ABS Saw
- Aluminum Handle Saw with Comfort Rubber Grip
- 12" or 18" Blade
- Suitable for Plywood, Asbestos, Plastics, Hardboard, Metals, Wood, Plastic and Foam Core Pipe

# Saws and Replacement Blades

**18" SK5 Steel Saw Blade**

**14" Fine Tooth Toolbox saw**

# RXH PTFE TAPE

**WHITE PTFE THREAD SEAL TAPE:**

For all industrial applications. Made from 100% virgin PTFE. No pigments, no additives. May be used on all applications including water, oil, chemical, medical, and food processing where non-contamination standards are high. Exceeds MIL Spec T-27730A. Temperature range of -450°F to +550°F. Available in a variety of sizes. Not for oxygen use.

**BLUE PTFE THREAD SEAL TAPE:**

For all industrial applications. Made from 99.5% virgin PTFE. .5% Blue Pigment. May be used on all applications including water, oil, chemical, medical, and food processing where non-contamination standards are high. Temperature range of -450°F to +550°F. Available in a variety of sizes. Not for oxygen use.

White PTFE Size	Density	Thickness
1/2" x 260" 0.4	0.0035"	+/- 0.0005"
1/2" x 520" 0.4	0.0035"	+/- 0.0005"
3/4" x 520" 0.4	0.0035"	+/- 0.0005"
1" x 520" 0.4	0.0035"	+/- 0.0005"

Blue Steel Size	Density	Thickness
1/2" x 260" 0.8	0.0035"	+/- 0.0005"

# PIPE WRAP TAPE

1" x 10MIL x 100'

PREMIUM GRADE, STRONG ADHESION,  
WATERPROOF, NON-CORROSIVE

SKU# RHX-1X10PWT

WARNING: This product contains chemicals known to the state of California to cause cancer, birth defects or other

## RXH PIPE TAPE

RHX "UPC Approved" Pipe Wrap Tape is a physical barrier that is moisture proof, inert and non-conducting. Whether the need is to protect overhead piping in industrial applications, exposed pipe anywhere, or direct burial piping, this tape gives a completely uniform coating all around. It is easy to apply by hand with no special tools or equipment.

# PVC Pipe Tape Duct Tape and Caution Tape

**1x10mill Pipe Wrap Tape**

**2x10mill Pipe Wrap Tape**

**2x20mill Pipe Wrap Tape**

**4x10mill Pipe Wrap Tape**

**3/4x7Mil Eletrical Tape**

# Cloth Duct Tape and Caution Tape

**2"x9Mil Cloth Duct Tape**

Cloth duct tape is polyethylene coated cloth backing with release material, single coated with a high performance sensitive adhesive.

## FEATURES:

Polyethylene plastic backing is for waterproofing.

Shelf life: one year in the original packing carton when stored 23°C×65%RH

Cloth middle layer facilitates tearing by hand. (Glossy)

The adhesive holds good peel force, tack, stretching resistance, aging resistance and weatherability.

## APPLICATIONS:

- Sealing duct work.
- General purpose for packing and enlacing.
- Carpet joint seaming.
- Masking and protection in painting.

Thickness	Adhesive	Tack #	Tensile strength N/25mm	1800 peeling N/25mm	Elongation at break	Temperature Resistance °C
0.23mm	Hot Melt	≥12	≥60	≥12	5%	80

**3" Caution Tape**

RHX's Caution/ Barricade Tape is the best choice for marking hazardous areas. Not only is our Caution Tape highly visible and completely reusable, but because it is 3 mil thick it does not easily fold making readability much clearer. Each message is printed in English and Spanish with bold black ink on durable yellow polyethylene. RHX caution tape is available in two sizes: 3inx300ft and 3inX1000ft.

## APPLICATIONS:

- Simply unroll the amount of tape needed to block off areas that offer a potential hazard. Re-roll the unused amount of tape and store. To attach the tape, simply wrap or staple.

# RHX Terry Towels

Complete a variety of clean up using a RHX 100 % Cotton Terry Cloth Towel. The soft material is absorbent to soak up water and other liquids and safe to use on many surfaces and finishes. The cotton towel comes in a 12-pack and is reusable and hemmed for durability.

# RHX Hose Clamps

These durable, UPC approved stainless steel hose clamps are ideal for use in a broad range of projects and applications. Screw, band and housing are comprised of 300 series stainless steel.

## Marking Wands

- Use for easy stenciling or line touch-ups
- Durable construction
- 34" length for convenient operation

Spotter Handheld Wand (12" Length)	K07095
Wheeler Handheld Wand (34" Length)	K07096
Handheld Wand with Flag Holder (34" Length)	K07094000
Line-Up Striping Wand (34" Length)	K08360000
Snap & Spray™	K07091000
Can Holster	K08000000

Case Pack: 1

# Earplugs

RHX-35DP-BP Earplugs are designed to be reusable or disposable, while preventing noise induced hearing loss. These cordless hearing protection devices reduce noise energy from reaching and causing damage to the inner ear. They are simple to use, less expensive than muffs, and often more comfortable to wear when in hot or damp work areas.

## Product Details

### FEATURES

- EN 352-2:2002 & ANSI Certified product.
- Individually packed for convenience
- Universal fit to suit most ear canals
- Optimal expansion rate for easy fitting
- Hi Visibility color for easy wearer identification

# Safety Glasses

## Pro Series Glasses

For workers who want style and protection, the RHX Pro Safety Glasses with Side Shields deliver outstanding peripheral vision and impact protection in a simple design.

### FEATURES:

Classic, Nylon frame & TPEE leg with rubber design promotes worker compliance. Low base curve frame and clear side shields provide excellent peripheral vision and protection. Scratch resistant hard coat Anti-Fog lenses in clear and smoke offer long lasting protection.

### APPLICATIONS:

- Woodworking
- Painting
- Assembly
- Sanding
- Cleaning
- Machine Operation
- Available in Clear or Smoke

**RHX-SFTYPROG-C (Clear)**

**RHX-SFTYPROG-S (Smoke)**

**Contractor Series RHX-SFTYG-C (Clear)**

Low base curve frame and clear side shields provide excellent peripheral vision and protection. Scratch resistant hard coat Anti-Fog lenses in clear and smoke offer long lasting protection.

**RHX-SFTYG-S (Smoke)**
